About US

LINSY, founded in 2007, is a Leading Home Furniture brand in China that integrates professional research and development, manufacturing, sales, and after-sales team. Has complete styles and categories of products and is committed to providing rich and cost-effective products to customers in various countries and regions. LINSY start from E-commerce and has been the No.1 brand of E-commerce in the Home Furniture field through accurate data analysis of market demand and efficient independent R&D in the past 14 years. Beyond analysis, design, production, and quality control, and helps create marketing solutions for our buyers, such as technology-enabled promotional materials. LINSY is committed to being the first choice of E-commerce business partner, contact us for more offers.

R&D Design Capabilities

We have an R & D team of nearly 500 people, ahead of almost all furniture brands at the rate of updating more than 1000 SKUs per month and maintaining sales of more than 13000 SKUs throughout the year.

Manufacturing Capacity

Full set of the intelligent production process with strict quality inspection the system, after 12 processes of quality control, from structure, raw materials, accessories, finished, every detail related to products quality and cost performance is all under our standard.

Global logistics system

LINSY has set up digital warehouses with over 200,000 m² in Foshan, Qingdao, and Chengdu, near Guangzhou, Shenzhen, and Shanghai ports which have an average daily shipment volume of 22,800 square meters.
